## Learn more about the **new \$4.9 Million Dollar Grant** to manufacturing companies, and how your company can benefit!

Save your spot for the **Tuesday, February 7, 2012** for a TDMAW Member **Breakfast Meeting** at the Workforce Development Center in Pewaukee. Please return the attached registration form to the TDMAW office no later than Wednesday, February 1.

*Shelly Flaten-Moore, Program Manager for the Department of Labor funded TIME (Training Individuals for Manufacturing Employment) project will present options available to regional businesses to recruit, train and hire skilled workers to meet their growing demands. On-the-Job Training is an employer resource designed to offset the cost of initial training of new employees who require skill training to reach the expected goals of the position. Learn about how the various programs available through the Workforce Development Center's Employer Relations Unit can help with the growth of your business.*
