Thank you for your support of
WHS SkillsUSA. I know that
all of us greatly appreciate having
you as sponsors. All that we have accomplished
would not have been possible without
your support.

Tom Poff

Thank you for your
support towards SkillUSA.
It means a lot to me and
I appreciate it greatly.

Jonathan Raatz

Thank you Sponsors, for
helping us out when we
really needed it the most.
Thank-you for your help and
for what you do in ~~our~~ your
buissnesses!! -April Gagliano 😊

I have been in this group for 3 years and
we have never had a car do anywhere
near as good as either car this year. We
also had great performance when we got
to the races while winning 5 trophies, 4
of them 1st place at the second event. If
it wasn't for all of our sponsors we
could still be in debt. Thank you very much
Morgan Fruehling

Thank you for helping
us by supporting SkillsUS
I have been in this group for
2 years and all of our sponsors
have helped us a great deal.
I appreciate it.

Thank you for all of your support to our organization this year! You have really helped us move forward this year in supporting us with either the funds or advice we needed to succeed in SkillsUSA or with our Supermileage and Electrathon cars. Thank you so much for everything and I hope for your help and support next year!

-Devin Herritz

Thanks for allowing us to succeed in our goals. Your support has helped our club reach its full potential this year. I hope we can continue our partnership into the future.

Mike Gaugert

Your help this year was deeply appreciated. Thanks for either the funds or advice you gave our organization. With your help we were able to achieve more than we thought possible. We hope for your continued support!

-Stephen Skibinski

Thank you all for your support this year. SkillsUSA is what I love to do and without your support we couldn't do what we do best. So thank you for your support and I hope you will continue it in the future.
